## WON'T NAME A SCHOOL FOR DR. J. B. MURPHY

**Because He Is a Catholic—Protestant Organizations  
Protest—Dr. Clemensen Defends Dr. Murphy and  
Splits With the Loeb Majority.**

In a speech suppressed by all seven of the big downtown daily papers Dr. Clemensen said at the school board meeting this week:

"Protestants and Catholics were united in paying tribute to the skill and the ability of Dr. Murphy as a surgeon and a scientist. I did not think any one could be so petty and small as to protest against giving his name to that of a Chicago public school.

"This is not a question of reli-

gion. It is a question of whether John B. Murphy was a great scientist, surgeon and humanitarian. I know from personal experience that he was a great surgeon, that he was recognized as such the world over.

"I knew Dr. Murphy intimately for 15 years. I heard him lecture and I attended clinics where he officiated. When I went to Europe and attended clinics in Rome, Berlin, Munich and Vienna I heard everywhere the statement that Dr. Murphy was one of the great men of Chicago and an aid to
